ESTABLISHED 2006 BY PETER HOLST • 10TH YEAR AND RUNNING.
[HTTPS://THEBOBCATSNEWSLETTER.WORDPRESS.COM](https://thebobcatsnewsletter.wordpress.com)

Welcome to another edition of the Bob Cats Newsletter. It's night time in the big city and a streetcar named *Belleville* stops outside the Black Swan and three members of the Greta Garbo Home for Wayward Boys and Girls board step down on Main Street; two men in dark suits, overcoats on their arms because of the heat, fanning their faces with fedoras and a woman in a cape, Claus von Bülow, Edouard Pierson and Gina Mazursky. They head towards the Dehli Deli where Jeanne Galletti, the night nurse, finishes her Irish coffee, grabs her Burberry trenchcoat and leaves, lighting a Chesterfield. The kid hides behind a billboard on the roof the Saint James Hotel, the black dog by his side. There's a thunder in the sky.

FLASHES FROM THE PAST

Five in the morning, she would fix my lunch
Put it in a paper sack
Where I'm headed, I always appreciate it
But I'd rather stay married to my hack

I move like the breeze, and the birds and the
bees
That I've never been known to look back
I got fifteen women and all of them swimming
But I'd rather stay married to my hack

I move fifteen miles every minute, I'm all
smiles
I shoot by my sister's shack
She's got some friend who waves at men, a fine
little hen
But I'd rather stay married to my hack

GOOD NIGHT

My dream was real as leather tanned, hard as hand against a wall
It brought me to Byzantium, blue crystal water in my hand
All so clear
I was there
In the shadows of a setting sun
The time I spent in Solvang house, rough and tender, grey and foul
Beneath the bright romanic archs, bow string music made of sand
All I hear
We are there
In the twilight of a drunken wing

I got twelve-wheel drive and an oversized hive
And air-cooled brakes in the back
Candy McGraft's always good for a laugh
But I'd rather stay married to my hack

I got a pedal to hit and an engine that won't
quit
And a carburetor that won't crack
Maureen and Milly, they're a little silly
But there's nothing that they do lack

I got loose-eyed ladies who never seen a man
Just waiting around the back
Gimme a bottle or someone to throttle
Cause I'd rather stay married to my hack.
